

South Bay Alliance

Connecting LGBT in South San Diego County

South Bay Alliance (SBA) would like to thank you for attending South Bay Pride and showing your support to the community. We hope that you enjoy yourselves!

We would also like you to know a little about us. SBA is a non-profit organization building a coalition of the LGBT community and our allies for social networking, business promotion, and political action in South San Diego County. SBA has monthly business meetings the first Monday of each month at the South Bay Fish and Grill. The meeting starts officially at 6:30pm but we show up at 6 for drinks and appetizers. Meetings are open and there are volunteer opportunities on all the steering committees.

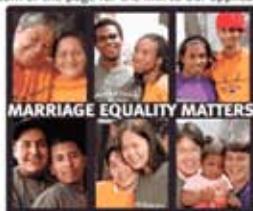

In addition to organizing South Bay Pride, SBA organizes two to three mixers during the year. Our next SBA mixer is coming up at the South Bay Fish & Grill on Wednesday, October 8, 2008. This mixer will also be a fund raising event for the

campaign against the Prop 8 ballot initiative. Come out and support marriage equality while enjoying an evening with friends!

We encourage you to become a member of South Bay Alliance and be an active part of creating community here in South Bay. The basic individual membership is \$15 per year. Membership contributions are used primarily to support South Bay Pride and the mixers. This is an all volunteer organization, so your fees go back into making our community stronger. Memberships include a newsletter bimonthly updating you on South Bay Alliance activities, summarizing LGBT political news in California emphasizing our area, and highlighting local area LGBT friendly businesses. You will also be able to vote for and hold leadership positions in the planning committee.

The business membership is \$30 per year membership. This listing includes the individual membership above but also includes your business name, address, phone number, your logo (size limits apply) and a link to your web site or email in our Business Listings.

If you are interested in joining, we have applications at the SBA booth OR you may visit our website at <http://SouthBayAlliance.net> and click onto Membership/Advertising link at the bottom of the page for the link to our application.

We Hope You Enjoy South Bay Pride 2008!

South Bay Pride was proudly organized by South Bay Alliance with the help of many volunteers as well as our community organizations and friends. We would like to thank them all for their support and assistance! We could not have done it without them! We would like to thank Marci Bair, in particular, for her immeasurable assistance.
